Sir:

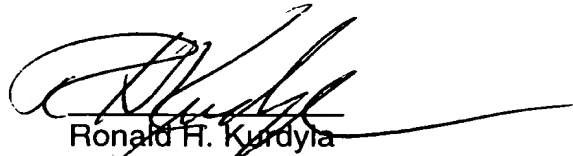

In response to the "DECISION ON PETITION UNDER 37 CFR 1.47(a),
mailed December 21, 2000, for which a due date of February 21, 2001 was
set for response, relating to the above-identified application Serial No.
09/622,388, Applicants have found the missing inventor.

Mr. Mehmet Kemal Ozkan had communicated via electronic mail from
Turkey to some former employees in Indianapolis earlier this year and
through diligent effort on our part, we were able to obtain his correct E-mail
address to communicate with him. Mr. Ozkan had apologized for any
inconvenience he had caused and stated that he had moved quite often from
one location to another and would continue to do so and, therefore, the only
way to reach him would be through electronic mail.

Accompanying this letter is another Response to Notification of Missing
Requirements, listing attachments and request for any additional fees to be
charged to our deposit account 07-0832.

Therefore, Applicants, having located the missing inventor and obtained his signature on the "Combined Declaration for Patent Application and Power of Attorney" (attached), respectfully request reconsideration of the Decision on Petition and the acceptance of the above-identified application into the U.S. National Stage.

Respectfully submitted,

Ronald H. Kurdyla
